

AMANA XBRL Cloud – Pay Per Filing

- _ Available at: <https://cloud.amana-consulting.de> (hosted by Microsoft Azure Germany)
- _ Annual usage fee per registered user: € 1.500. This fee enables the following functions: Taxonomy reports, Validation, and XBRL to Excel conversion.
- _ The creation of filings is charged per reporting requirement (taxonomy, due date and entity) and includes unlimited test filings and resubmissions.
- _ Example: ABC Insurance reports a Solvency II ARS and QRS XBRL per December 31. Regardless how many test/invalid filings are created, two “prepared filings” are charged.
